## **Division 5            Disposal of impounded animals**

### **31    Application of this division**

This division applies where—

- (a) an impounded animal has not been reclaimed within the prescribed period under section 29(2); or
- (b) if section 29(3)(a) applies— the impounded animal has not been reclaimed within 3 days of an authorised person’s advice to the owner or responsible person that the animal’s continued retention as evidence is no longer required; or
- (c) if section 29(3)(b) applies—the impounded animal has not been reclaimed within 3 days of the completion of a review or appeal that caused a destruction order to no longer be in force; or
- (d) an authorised person has seized an animal mentioned in section 27(2)(b); or
- (e) the owner of an animal has surrendered the animal to the local government.

### **32    Sale, disposal or destruction of animals**

- (1) The local government may—
- (a) offer the animal for sale by public auction or by tender; or
  - (b) if the animal is an animal mentioned in section 27(2)(b) or is of a species, breed or class specified by subordinate local law for this paragraph—
    - (i) sell the animal by private agreement; or

- (ii) dispose of the animal in some other way without destroying it; or
- (iii) destroy the animal.

*Example for paragraph (b)—*

The subordinate local law might specify dogs, cats and other small domestic animals, for which a public auction or tender might not be practicable.

- (2) An animal may only be sold or disposed of under subsection (1) if the local government is satisfied that this will not result in the animal being kept in contravention of the requirements of this local law.

*Examples—*

- A pig that has been seized because it is being kept in an urban area in contravention of a prohibition under a subordinate local law could be sold to a person outside the urban area but not to another person in an urban area.
  - An animal that a subordinate local law has prohibited in any part of the local government area could not be sold to a person who resides within the local government area.
  - A declared dangerous animal could only be sold to a person who has complied with any specified requirements for keeping such an animal.
- (3) If an animal is to be offered for sale at a public auction under this section, notice of the time and place of the auction must be exhibited at the local government's public office for at least 2 days before the date of the auction.
  - (4) An amount realised on sale of an impounded animal must be applied—
    - (c) first, towards the costs of the sale; and
    - (d) second, towards the cost-recovery fee for impounding; and
    - (e) third, in payment of the remainder to the former owner of the animal, unless the owner had surrendered the animal to the local government.
  - (5) If no person establishes a valid claim to the amount to which the former owner is entitled under subsection (4)(c) within 1 year of the date of the sale, the amount becomes the property of the local government.
  - (6) If an animal that is offered for sale by public auction or tender is not sold through the auction or tender process, the local government may dispose of the animal as it considers appropriate.

*Examples—*

- The local government may give the animal away.
- The local government may have the animal destroyed.

## **Division 6            Other impounding matters**

### **33 Register of impounded animals**

- (1) The local government must ensure that a proper record of impounded animals (the *register of impounded animals*) is kept.
- (2) The register of impounded animals must contain the following information about each impounded animal—

- (f) the species, breed and sex of the animal; and
  - (g) the brand, colour, distinguishing markings and features of the animal; and
  - (h) if applicable—the registration number of the animal; and
  - (i) if known—the name and address of the responsible person; and
  - (j) the date and time of seizure and impounding; and
  - (k) the name of the authorised person who impounded the animal; and
  - (l) the reason for the impounding; and
  - (m) a note of any order made by an authorised person relating to the animal; and
  - (n) the date and details of whether the animal was sold, released, destroyed or disposed of in some other way.
- (3) The register of impounded animals must be kept available for public inspection at the place of care for animals or, if the place has no public office, at an office prescribed by subordinate local law.

### **34 Access to impounded animal**

- (1) This section applies to an animal impounded under section 24.
- (2) The local government must allow the owner of the animal to inspect it at any reasonable time, from time to time.
- (3) Subsection (2) does not apply if it is impracticable or would be unreasonable to allow the inspection.
- (4) The inspection must be provided free of charge.

### **35 Unlawful removal of seized or impounded animal**

- (1) A person must not, without the authority of an authorised person, remove or attempt to remove—
  - (a) a seized animal from the custody or control of an authorised person; or
  - (b) an impounded animal from the local government’s facility for keeping impounded animals.

Maximum penalty for subsection (1)—50 penalty units.

- (2) Any costs arising from damage or loss caused by a person contravening subsection (1) are recoverable by the local government as a debt.

## **Part 5 Appeals against destruction orders**

### **36 Who may appeal**

An owner or responsible person for an animal the subject of a destruction order may appeal to the Magistrates Court against the decision to make the destruction order.

### **37 Starting appeal**

- (1) An appeal must not be started unless a review of the decision to make the destruction order has been finally decided or otherwise ended.
- (2) An appeal is started by—
  - (a) filing notice of appeal with the Magistrates Court; and
  - (b) serving a copy of the notice of appeal on the local government; and
  - (c) complying with rules of court applicable to the appeal.
- (3) The notice of appeal must be filed within 14 days after the appellant is given notice by the local government about the finalisation of the review of the decision to make a destruction order.
- (4) However, the court may, at any time, extend the time for filing the notice of appeal.
- (5) The notice of appeal must state fully the grounds of the appeal and the facts relied on.

### **38 Stay of destruction order**

Upon filing the notice of appeal, the destruction order is stayed until the court decides the appeal.

### **39 Hearing procedures**

- (1) In deciding an appeal, the Magistrates Court—
  - (a) has the same powers as the local government; and
  - (b) is not bound by the rules of evidence; and
  - (c) must comply with natural justice.
- (2) An appeal is by way of rehearing, unaffected by the decision appealed against.

### **40 Court's powers on appeal**

- (1) In deciding an appeal, the Magistrates Court may—
  - (a) confirm the decision appealed against; or
  - (b) set aside the decision and substitute another decision; or
  - (c) set aside the decision and return the matter to the local government with directions the court considers appropriate.
- (2) If the court substitutes another decision, the substituted decision is, for the purposes of this local law, other than this part, taken to be the decision of the local government.
- (3) An order for the costs of an appeal may only be made against the local government if the court is satisfied that the animal was unlawfully seized or there was no reasonable basis for making the decision subject to the appeal.

## 41 Appeal to District Court

An appeal lies to a District Court from a decision of the Magistrates Court, but only on a question of law.

## Part 6 Miscellaneous

### 42 Sale of animals

- (1) The local government may, by subordinate local law, specify conditions to be complied with by persons who offer animals, or a particular species of animal, for sale.
- (2) Conditions specified under subsection (1) are in addition to requirements of the Animal Management (Cats and Dogs) Act 2008 in relation to the supply of cats and dogs.
- (3) A person must not offer or display animals for sale in the area unless the person complies with conditions specified under subsection (1).

Maximum penalty for subsection (3)—50 penalty units.
