General Information

Please complete all sections on page 1 to lodge an appeal. Incomplete or forms without all necessary information and documentation will result in your application being rejected.

The appeal review is assessed on the following grounds:

- Did the offence occur? (The facts and particulars of the offence are correct)
- Has the infringement been issued to the correct person? If not, then the registered owner must nominate the driver responsible providing full name and residential address; or
- Where the circumstances that led to receiving a parking infringement notice was beyond the control of the driver (exceptional circumstances).

Grounds of appeal not considered for waiver of infringement:

- You did not understand the parking sign – the signs are based on Australian Standards.
- Being unaware of the law or disagreeing with the law.
- Not having coins or other payment method to insert into the machine immediately upon parking.
- Time purchased insufficient to allow for unexpected delays.
- Paid ticket not displayed or is not clearly displayed.
- Parking or stopping (includes brief periods) in a restricted area or zone without the appropriate permit eg. Disability, Commercial Load, Bus, Taxi, No Parking or No Stopping Zones.
- A vehicle classed commercial use for registration purpose with the Queensland Transport does not entitle the vehicle to park in Commercial Loading Zones. Only Utilities (including dual cabs), panel vans and vans without rear passenger seats and/or seat belts do not require a commercial vehicle parking permit.

Whitsunday Regional Council may consider the withdrawal of a PIN if you can demonstrate any of the following occurred at the time of the offence:

- Your vehicle was broken down.
- You were involved in a medical emergency.
- You were issued with a PIN as the registered owner of the vehicle that at the time of the offence, had been sold or stolen, or was under the “permitted” control of another person (Statutory Declaration required).

Faulty Ticket Machines

For Council to withdraw and infringement notice based on a faulty ticket machine there must be a record of you reporting the faulty machine.

What happens if your appeal is unsuccessful?

Council provides the options available to either make payment or elect to have the matter heard in the Magistrates Court. You are required to notify Whitsunday Regional Council in writing if you wish to elect to go to court.

In all instances, you should try to include evidence to support your reason for the appeal. The information you provide assists Council Officers to make an informed and fair decision.
